Welcome to this, the December final issue of the Contact Magazine for 2021. The next issue of the Magazine is due out in March 2022

*Kia ora koutou katoa  
Tēnei te mihi māhara ki a koutou.*

Hi everyone and warm greetings to you all.

As I start typing I am woefully reminded that 20 of our 'Equals' have passed away since the last edition of our Contact Magazine.

## Covid 19

This vexation of a pandemic has caused widespread commotion amongst all levels of society and which has divided the nation. Whatever side of the divide you are, is your business. Take care and best wishes.

## Festive Season

The festive season is upon us. Get out, embrace it and enjoy it to its fullest.

*'Kia kaha koutou katoa me haumaru'.*

## VANZ - RANFURLY WEBINAR

I recently took part in the recent Webinar hosted by VANZ and Ranfurly Retirement Village, Auckland. This was an online event titled, Kōrero with Veterans 2021. A well choreographed event with interactions between Veterans and their Families and VANZ Staff and Support Agencies. It was another learning curve for me and I would recommend this method of delivery where Covid 19 restrictions prevent face to face seminars. Thumbs up to all concerned.

## NZVVA National Reunion - Christchurch 15-17 Feb 2022

Your Committee is committed to maintaining the impetus towards our National Reunion 2022. The unknown factor of course is the uncertainty of the impact of Covid 19. We will keep you posted.

## Stepping Down

I will be stepping down and it is more than likely that this will be my last edition of our Contact Magazine. I will not be seeking re-election at our National Reunion 2022 AGM. I will be more than happy to guide and assist any budding editors out there prepared to assume my role.

## Ka Poroporoaki - Farewell

To the NZVVA President, Andy Peters and Committee Members, it's been a pleasure working with you all. I can vouch for your work ethics which cannot be underestimated. Finally, I wish to extend Christmas Greetings to you and your families and a Happy and Prosperous New Year.

I end with this Whakatauki / Proverb

*Ngaro atu he tētēkura, When one chief disappears,

## FROM THE DESK OF THE PRESIDENT

### Dec 2021 Contact

Tena ra tatou katoa, hello all,

Welcome to the Christmas Edition of the Contact.

*Tuatahi, he honore, he kororia ki te runga rawa, maunga rongo ki tye whenua, Rangimarie te tangata ki te tangata.*

*All honor and glory to the almighty, peace on earth and goodwill to all.*

*Ki o tatou hoa hoia, haere, haere, haere*

*To our comrades go in peace.*

*Ki nga whanau, ki a kaha, ki a maia, ki a manawanui*

*To the families our condolences.*

Well done to those members of V6 who managed to get to Christchurch, commemorating 50 years since your withdrawal from Vietnam and remembering those of your Unit who died in Vietnam as well as those who have died since. Great support from those local veterans who gave support by attending the service held at Papanui RSA. You did a great job as the liaison officer Manu.

For some, the good news, the Minister for Veterans Affairs, Meka Whaitiri, announced on Tuesday 14 Dec the addition of two new conditions associated with Agent Orange exposure be added to the Prescribed Conditions listed in the Memorandum of Understanding;

Soft tissue sarcoma

Non – Hodgkin lymphoma

Hodgkin's disease

Chloracne

Chronic lymphocytic leukaemia – including hairy-cell leukaemia and other chronic b-cell

Monoclonal gammopathy of undetermined significance (MGUS)

Hypertension

*What does this mean*

Anyone, veteran, with qualifying operational service in Vietnam with one of these conditions may qualify for an ex-gratia payment of \$40,000.

If you are the widow or partner of someone who had qualifying operational service in Vietnam, and he died from one of these conditions, you may qualify for an ex-gratia payment of \$25,000

If your spouse or partner had qualifying operational service, did not receive an ex-gratia for any of these conditions you may qualify for an ex-gratia payment of \$25,000

If your spouse or partner had qualifying service and died from one of these conditions, its on the death certificate, after Nov 2018 you may qualify for an ex-gratia payment of \$40,000

If your spouse or partner died before Nov 2018 you do not qualify for an ex-gratia payment.

If you, Veteran, suffer one of these conditions, are not registered with Veterans Affairs, register now and ask about how to apply for the ex-gratia payment. Consult your GP a well.

Any queries ring Veterans Affairs (Talk to your case manager)

Freephone 0800 483 8372 in NZ , 1 800 483 837 in Aust or 64 4 495 2070 elsewhere in the world

*Why Nov 2018*

NZ relies on the United States of America Science Research Centre, who looks into the effects of dioxins, such as Agent Orange, and it was then (Nov 2018) that they acknowledged those two conditions as being related to the dioxins sprayed in Vietnam. At the signing of the MOU it was agreed not to back date any findings.

### The announcement

I was approached to make a comment to accompany the Ministers announcement;

Over the forty years following WW2 our government only committed forces to two conflicts. First the Forgotten War (Korea) and second our war, Vietnam.

Vietnam was a most unpopular war with a very vocal section of many in NZ society of the 1960/ 70s. Our war was no easier or harder than those before or after.

The enemy was tenacious and often overwhelming numerically stronger, and, as the war progressed increasingly sophisticated.

However, our efforts further enhanced NZ's outstanding military reputation

We did our jobs well for the NZ Army and our country but came at a cost to both us and our whanau.

It wasn't till 35 years after the conflict concluded that this cost was recognized by the government and special support,

the Memorandum of Understanding, was put in place to help us and our whanau deal with those consequences.

Today's announcement by the Minister, almost 50 years to the day (9 Dec 1971) when the last rifle company, V6, was withdrawn from the Republic of South Vietnam,

Is one of the opportunities to make sure those of us left, and whanau of all those who served are provided with all that successive governments have promised but not delivered.

So, thank you Minister for your benevolence and thank you to the hard-working officials that have made this day possible.

On that note e hoa ma, comrades, I look forward to seeing you at the Reunion, 15 – 17 February 2022 in Christchurch. The AGM will be interesting.

Take care and stay safe.

To you and your families, have a merry Christmas and all the best for the New year, go eay on the pudding.

Nga mihi / Regards

Andy Peters

As the election of the new committee will be held at the AGM, I have agreed to continue in the role of Secretary. I am sure that there is a whanau member out there who may be keen to take on this role. They don't have to live in Auckland as our meetings are held in person and on zoom so taking the minutes can take place anywhere around the country.

#### Emails

Until a new secretary is appointed, any emails sent to the secretary's email address are being forwarded to the treasurer. If you have sent an email to the secretary and have not received a response, please forward it to me and I will sort our any queries. (Email address below)

Membership Subs – 1<sup>st</sup> April to 31 March 2022

Membership subscriptions were due from the 1<sup>st</sup> April for the 2021/2022 year. Thank you to those who have already paid or have paid in advance for additional years, your membership cards should have been received by now.

If you have not received an up-to-date card showing "Expires 2021/2022" or later recently, it means that your membership has expired. We hope that you will continue being a member of the Association. Subscriptions are still \$20. Please direct credit the amount into the Association's bank account. We rely on your subs to keep the organisation going. The bank details are:

**BNZ, Papakura**

**02-0400-0504697-00**

As soon as we receive your subs, your membership card will be mailed out to you. For those members who receive their Contact by email, confirmation of your current postal address will ensure that your card is posted to the correct address.

If you have paid and not received a card or have any questions about your membership, please email me at [treasurer@nzvietnamveterans.org.nz](mailto:treasurer@nzvietnamveterans.org.nz)

#### Payments to the Association

All payments will need to be made by internet banking or by depositing through a terminal at a BNZ branch. You can do this without having a card by putting the bank account details in which are listed above.

We have also been advised from our bank that they are not accepting foreign currency or foreign cheques as from now. I can convert foreign currency for the moment and will keep you updated if anything changes. Of course, it is not advisable to send cash in the post, but I know that there is a small minority of members living in Australia that have no other method of sending their subs as the fees of sending money through the bank are expensive.

Please remember to put your details, name and service number so that I can match up the transaction to the correct member. An email confirming that you have put the money in the account would also be helpful if you are able to do this.

#### Reunion

As mentioned in the last Contact, the Reunion has been rescheduled to the 15-17 February 2022. Please contact me if you have any queries about registration fees paid. The early bird fee cut off has been extended to 18 January 2022.

#### Website

The Association has a website where you can find up to date information about what is currently happening. It is a way of keeping members in touch with current items in between the Contact being published. Members have access to the member only area where you can share ideas or information. Check it out at [www.nzvietnamveterans.org.nz](http://www.nzvietnamveterans.org.nz)

I hope you and your families have a safe and enjoyable Christmas.

Until next time, stay safe.

Coming in from W2

Kia ora Andy.

The newsletter below is to keep you up to date with W2 Hui progress.  
Merry Xmas and a Happy New Year,

Wally

Kia Ora W2 Whanau,

This will be the last newsletter for 2021 and the major news is that after the postponement of the February 2022 Hui we will be holding the next one in Palmerston North in 2023, actual date TBA. There are a number of reasons:

- A hopefully improved Covid situation, including for overseas travel,
- Easier access than Whanganui,
- Closer to 1RNZIR for support,
- Easier for VANZ to attend and conduct presentations/assistance, and
- A larger central choice of accommodation.

The committee will remain the same and with today's technology we will be able to plan and co-ordinate the Hui initially from Whanganui, and closer to the date, from Palmerston North.

If there are any W2 in the Palmerston North area that would like to assist the committee please give us a call.

The ASB bank account is no longer in use. We will publish the new account number when we start talking about registration for the 2023 Hui. So please do not use the ASB account number.

On 7 December the committee presented the Roll of Honour, Company photograph and Banner to 1RNZIR, in trust, for future W2 Hui. The presentation was to take place in February 2022 but with an uncertain future it was decided to do it now so the items are available when required.

The presentation was made to the CO Lt Col Vaughan, the 2IC W Coy Capt Worthington, the RSM WO1 Halley and the CSM W Coy WO2 Macaulay in the Seymour (Unit History) Room at Bn HQ. WO2 Macaulay also showed us around W Coy HQ where there is also W Coy memorabilia.

2IC W Coy, Frank, RSM, Jim, CO, Wally, CSM W Coy

Next year 1RNZIR are going to be sorting and cataloguing everything in the History/Seymour Room around March ready for a revamp. If anyone is interested in assisting with this please let me know and I will pass on details as they come to hand. 1RNZIR will provide R & Q.

W Coy HQ 1RNZIR Linton Camp

Kia Kaha,

Best of Christmas and New Year wishes to all from Frank, Wally and Jim.

Coming in from Ken Dowling (Retired) - (161 Bty RNZA)

The Long Shadow Australia's Vietnam Veterans Since the War BY PETER YULE, PUBLISHED BY NEW SOUTH IN ASSOCIATION WITH THE AUSTRALIAN WAR MEMORIAL

The Long Shadow by Peter Yule is a recently released 647 page book on the medical outcomes for Australian Vietnam Veterans. I got it from the library planning to skim through it to get a better idea of the fight of my fellow veterans, both Kiwi and Aussie, for Agent Orange and PTSD recognition. I was attached for a time to C Coy 9RAR so had that extra element of interest. Who would have thought it? The first chapters had me so hooked I bought a copy to have time to read it thoroughly. I'm in good company as the Foreword writer Sir Peter Cosgrove (9RAR) says "... once I started, I read it through in one go, I couldn't put it down..." Then it occurred to me that other veterans might also like to know more about the same topics that interested me. This book contains medical learning, detective stories, political deviousness, misunderstandings, anecdotes of all kinds from our fellow veterans, photos, science, statistics, corporate greed and lies, incompetence, villains and heroes. Don't get me wrong – it is a superb analysis of the topics and above all, impartial. Not all the answers we would like but at least the reasons why not. The book was commissioned by the Australian War Memorial Council as an independent history of Vietnam Veterans' health issues. Veteran dissatisfaction with F.B. Smith's 'Agent Orange: The Australian Aftermath', part of the official war history, was a key driver. The choice of Peter Yule to write this history was inspired. Yule has published over 20 books on Australian military, medical and economic history. He obviously consulted widely, especially amongst veterans which F.B Smith curiously failed to do. Yule reports fairly, rarely giving his opinion unless there is good supporting evidence. The first 5 chapters look at medical legacies of war. Chapter 6 moves on to Vietnam medical issues and

was the first of my eye openers. I was not aware of the scale of non conflict injuries. Table 2 in the book summarises hospital admissions for July 1965 to June 1972: battle 1,952; non battle 2,650; disease 12,039. Chapters 7 and 8 deal with the return from Vietnam and the following decade. Agent Orange or more specifically, chemical exposure in Vietnam, feature in chapters 9 through 13 and 16 – 18, 25. Mental and general health in 14, 15, 26. Other chapters deal with veteran health over various decades. There are 4 sections of photos in the book, 9 tables, 2 figures. Table 7 is NZ veterans' deaths from selected cancers 1988-2008 and Table 8 NZ veterans' deaths from cardiovascular diseases 1988- 2008. There are 5 other mentions of NZ forces. I have attempted to get the essence of the main Agent Orange chapters and these pages are available to read on the EVSA website via the link provided. Reviewed by Ken Dowling ex 161 Bty

**FROM THE DESK  
OF THE QM**

As 2021 draws to a close we ponder on the impact of Covid 19 and how it has come to dominate our current existence. Here's hoping that the impact diminishes leading into 2022.

Sales of our merchandise is going steady. Of course our latest products is focused towards the National Reunion 2022. The Merchandise. Catalogue follow's:

We urge people to get their orders in to meet a deadline of the 14 January 2022. This will give a bit of a lead time for our manufacturer to prepare the orders in time for us to personally deliver to the Reunion venue.

Unfortunately, the consequence of missing this deadline means you will have to pay for postage for future orders thereafter.

On a separate note, The Committee has approved the musical services of Dennis Marsh, Country and Western Entertainer. I know Dennis personally and have agreed to ensure that this happens.

I now take this opportunity to wish you all the best for the festive season and a happy and prosperous New Year.
